

Firexo  
**FOR WORK**

Firexo fire extinguishers can fight all classes of fire (Class A, B, C, D, F and Electrical fires). This prevents the question of whether a fire extinguisher can fight a certain type of fire. This makes them ideal for an untrained user.

Firexo offers many options for the workplace, these include 2L, 6L and 9L models.

Firexo's home range can be used for fighting

Wood, paper and cardboard fires

Flammable liquid fires

Flammable gas fires

Flammable metal fires

Electrical fires

Cooking oil or fats fires

## Warranty & Servicing

More environmentally friendly. Made with natural ingredients, non-toxic and biodegradable. Safe for indoor use.

## Accreditations & Standards

Unlike your large DIY retailers, our models in the Firexo for work range are given a BS Kitemark.

With their BS Kitemark, our fire extinguisher make for the perfect fire safety solution in any work environment.
